Please Join Us Friday!

Frequently Asked Questions

Message from the Administrator on a few Governing Board Election FAQs

Which Governing Board seats are up for election?

All of the odd-numbered stakeholder category seats are up for election (1, 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, and 23). Note that there are 3 seats up for election in stakeholder category 23, At-Large.

Who gets to vote in this election?

Member organizations must be in good-standing. Only the named voting representative may vote.

For odd-numbered stakeholder members:

- 1 vote for your stakeholder category
- 3 votes for stakeholder category 23, At-Large

For even-numbered stakeholder members:

- 3 votes for stakeholder category 23, At-Large

How many votes can I cast for the At-Large candidates?

All voting member representatives in good-standing will have 3 votes. You may choose to only exercise a portion of those votes and abstain on the remainder if you wish.

Can I change my stakeholder category so I can vote for a specific candidate?

No. The Administrator will be monitoring this closely. If there are legitimate reasons for changing your stakeholder category, visit the membership pages on the TWiki for instructions.
